WELCOME TO 9th ICIAHP – 2024

On behalf of the organizing committee of the 9th International Conference of the Indian Academy of Health Psychology, we cordially invite you all to the upcoming event of Health Psychology scheduled to be held from 22 – 24th November 2024 at Gandhi Adhyayanpith Auditorium, M. G. Kashi Vidyapith, Varanasi, India. In the current scenario, all health professionals integrate various disciplines of medical and allied sciences to deal with various kinds of health issues, physical or psychological. The integrative approach in medical care not only fastens the recovery of health issues but also helps the patients to have holistic recovery and rejuvenates them in their original society. Health Psychology is again one of the promising disciplines of healthcare to explore chronic conditions of health issues with a better coping mechanism. Hence, the aim of the conference is to understand the impact of health psychology in integrative healthcare with a multidisciplinary perspective. The conference would provide an academic platform where the health care professionals, scientists and scholars across the globe will come together to present, discuss and exchange their innovative works in the area.

We eagerly look forward for your participation and welcome you in the conference with your colleagues, friends and research scholars.

**Prof. Anand Kumar
Conference Chairman,
9thICIAHP-2024**

About IAHP

The Indian Academy of Health Psychology (IAHP) is a professional organisation dedicated to advancing the field of health psychology and improving the well-being and quality of life of the individuals. Its primary objective is to enhance awareness and disseminate knowledge about health psychology through networking, creating a comprehensive database, fostering collaborative research, and publishing informative materials like monographs, reports, and books. It consists of a distinguished community of researchers, scholars, healthcare professionals, and students who work together to promote scientific understanding and practical applications of health psychology. It actively organises seminars, debates, workshops, and conferences that provide a platform for the scientific community to exchange knowledge and address various issues and challenges related to human health.

Prof. Anand Kumar laid the foundation of Indian Academy of Health Psychology (IAHP) in January, 2015 to serve the people through the academy with a vision to improve health and well-being of society by creating awareness/spreading knowledge about health psychology. He has been honored with distinctions and awards by many national and international organisations which includes: the Best Speaker Award in 1983 by World Congress of Social Psychiatry, Osaka, Japan; Man of achievement award in 1991 by International Biographical Centre, Cambridge; Kashi Ratna in 2007 for his outstanding services in the area of psychotherapy by the Indian Association of Journalists; Man of Achievement award in 2016 by Gautam Buddha University, Greater Noida, India; Mental Health Professional Honor by the Manas Charitable Trust for Mental Health, Ahmedabad, Gujarat in 2020. Recently, he was conferred "Lifetime Achievement Award" in 2021 for his outstanding contribution in Health Psychology.
