Explanation of Terms Used in this Questionnaire

- 1. United States Include the 50 States, District of Columbia, Puerto Rico, the U.S. Virgin Islands, Guam, and American Samoa.
- 2. Resident You are a resident of a country if you make your temporary or permanent home there. (Visiting as a tourist, or on a short business trip, does not establish residence in a country. But going into a country, setting up permanent quarters there for yourself and your family, and settling down in the community generally make you a resident of that country even though you intend to return eventually to another country which you consider to be your permanent home.)
